Status: Second-hand

COD: 01600001

KBB ITALIA overhauls and upgrades used machinery and plants, with the aim of improving their potential, increasing their efficiency and reliability and reducing their running costs.

Systems and machines, overhauled and tested, can be installed or relocated at the customer's premises.

Revamping allows the life cycle of machinery to be extended by replacing or updating its technological system with modern, state-of-the-art solutions to increase machine productivity, reduce production costs and increase staff safety.
